Email Address:

Relationship to the child:

Indemnity

I consent to my child participating in the Minecraft activity, I will encourage my child to cooperate with the leaders and other children. I accept responsibility for payment of all expenses associated with any medical or surgical treatment that may arise. Qberty Holdings will ensure that all children participate fairly on the launch day with equal chances of experiencing both Minecraft and Robotics learning activities. I agree to indemnify and hold harmless the Qberty Holdings against all claims, demands, suits and liability of whatever nature and howsoever arising out of the injury to the child, and the relevant being undertaken.

MARKETING:

During the course of the program photographs of the children participating in different activities and in special events may be published in newspapers, magazines on Facebook or other social media. This is exciting for the children as they receive recognition for their endeavours. Please confirm below that you permit Qberty Skills academy to use such photographs.

Please indicate by ticking the box below, if you give Qberty Skills Academy permission to use photographs of your children for the purposes of marketing the school.
